## STAGE YOUR OWN SHOW!

Achieving audacious goals  
in the face of adversity

It took a life-threatening illness to push Shelley into action. Given a second chance at life, she embarked on a quest to perform her favourite Brazilian music in its birthplace of Rio de Janeiro, and achieved her audacious goal in just three years.

By telling this quirky, fun and uplifting story, Shelley will teach your people that they can make amazing things happen, and they should do it now.

## MOTIVATIONAL & INSPIRING SPEAKER

Would you like your people to take initiative, be proactive and pursue audacious goals to make your business more successful? To make things happen, we need to step out of our comfort zone and start taking action.

### TOPICS

**DON'T WAIT TIL  
IT'S TOO LATE.**

We don't have forever, so don't wait for a crisis to propel you into action.

**NOTICE THE  
ELEVATOR MUSIC.**

Start paying attention to those glimpses you sometimes get of what you or your business could become. Set a goal and go for it!

**START WITH A  
SINGLE SONG.**

Make a start. Small amounts of effort will accumulate and lead to big results.

**BOOK YOUR STAGE.**

To make your show happen, you must set a date, time and venue. Start before you're ready.

**THE SECRET SAUCE  
IS COMMITMENT.**

When you're committed to your goal, all kinds of coincidences will occur to help you to achieve it.

Shelley believes we are all capable of amazing ourselves with what we can achieve.

A commercial litigation lawyer with additional qualifications in marketing, Shelley will understand your business strategy, and has the gravitas to reinforce your corporate message. But it's her creative persona that has been responsible for some of her proudest achievements.

Her story of becoming a cabaret artiste and staging her own original shows will persuade your people that with practice, planning and perseverance, they can achieve anything. She will entertain your audience with clean humour and maybe even a song or two.

### TESTIMONIALS

"Success in both our business and our personal lives comes through developing an ability to pivot quickly and stay open to new ways of doing things and opportunities to develop oneself. Your address was inspirational."

**Keith Gustavvson, Managing  
Director, Business House Australia**

"Shelley is a powerful speaker. Her words will move you. From the first minute she had my attention. The challenges in her life and how she used them to her strength are inspiring. Her years of experience on stage shone through."

**Ivan Vantagiato, Creative Director,  
Digital Marketing Tribe**
